ACTIVATION OF COVID MEASURES: OPDs FOR EX-SERVICEMEN

1. CHAFB is a designated COVID-19 mixed hospital. Resurgence of COVID-19 cases has resulted in 83 COVID positive patients being admitted to CHAFB as on date. CHAFB has initiated phase wise implementation of COVID management plans.
2. A large number of suspected COVID-19 patients are reporting to CHAFB. To decongest OPDs redistribute health care workers appropriately, following measures are being implemented with immediate effect:
 - (a) No fresh appointments will be given for elective surgeries and procedures.
 - (b) All Super-Specialist OPDs are suspended. Only basic speciality OPDs will be conducted in parking area.
 - (c) Hence, all veterans may be directly referred to ECHS empanelled hospitals for further management of super specialty cases, Laboratory and Imaging investigations without clearance or permission of concerned service specialist at CHAFB.
3. This is for your information and implementation please.
