ECHS Beneficiaries with Parent PC being PC Urban are referred for Specialists OPD Consultation to CHAFB. This is so, because PC Urban is classified as a MIL-PC. It is possible that CHAFB Specialist refers the Beneficiary to an Empanelled hospital post Consultation. This document depicts as a Flow Diagram the various steps, that are currently followed. With complete automation and Referral Cell at CHAFB fully functional, the steps will change for the better, in future.
