xi)   A new window will appear – **Log in to Proceed**

xii)   Type in Mobile number and Password; Enter Verification code and click **Log in**

xiii)   A box will appear **- Mobile Verification,** with your Mobile number shown.

xiv)   Now enter the **OTP received** in the mobile; enter **Verification Code** and click on **Verify Mobile**

xv)   Now, a new Page will appear with entries "**E mail ID Verified** and **Mobile Number Verified".**

At this stage, Your Mobile Number is successfully registered along with Password

STEP # 3 - Fill out details in online Application – (use pull down menu wherever available)

Log in by going to   echs.sourceinfosys.com -> click 'Already Registered -> Click 'Log in' -> enter Mobile number , Password and Verification code

<u>**ACTION # 1**</u>

i)   Click on **Edit Application Tab**. A new page will open. Click on **'Click here to select your Application Category'.**

ii)   A pull-down menu will appear. Click **'ONLINE Application Form for 32KB Card holder'**.

iii)   Now a Form will appear – '**On Line Application Form for 32KB Card Holder**'. This is the Form to be filled out and submitted

   i.   Fill all details in **EX Servicemen Details** starting with Name and up to Old Card Number – (Use the information you have filled and kept ready in **Enclosure 1 A- Preparatory Work** .

   ii.   Fill up all details in **Primary Beneficiary Details** – Since ESM is not alive, these would pertain to Family Pensioner – from Primary Beneficiary Photo being attached till Current Address, if different from Permanent Address - already gathered in **Enclosure 1A Preparatory Work**

   iii.   Click on **Add Dependents**. Add details of first dependent, already available in Enclosure 1A including clicking and adding the signature.

   iv.   Add as many Dependents as there are, one by one as above.

   v.   Now, select and upload the images of PPO of ESM / Family Pension PPO and Old (32KB) card of Primary Beneficiary and Death Certificate , already prepared and kept ready in the desktop folder.

   vi.   Click **I agree Box**, below **Verification** declaration.

   vii.   Click **Save details**.

   viii. A Question will appear – Have you added all dependents? – Click **Yes**.

   ix.   The data will be uploaded in the remote server and an indication will come **details saved**.

      (If any data is missing , you will see a RED colour in the box concerned for correction.)

Action # 3 Payment of Application Fees

After   the previous Action # 2 , wait for 5 minutes and then continue as below to make the payment (If necessary, log out, wait for 5 minutes, log in, click Edit Application and then proceed as below).

   i.   Click **I agree** Box.

   ii.   Then Click **Make Payment** Box.

   iii.   You will be connected to the Payment Gateway.

   iv.   **Choose your method of Payment** – By Credit / debit cards of SBI or any other bank (credit / debit) or Net Banking of SBI or any other bank

   v.   **Complete the payment.**

   vi.   **On Successful payment**, you will get an indication and an acknowledgement that **payment is successful.**

   vii. You will be logged out.

Action # 4

After some wait time, Log in to **echs.sourceinfosys.com**

a. Download & Print the Payment Slip by clicking appropriate tab in the Status.

b. Print a copy of the Completed On Line Application Form for your record

Notes

a) If you make payment by SBI card / Net banking, the payment slip would be available in quick time. For any other mode of payment, you may need upto 24 Hrs. for the payment to be realized by the SBI Payment Gateway and then only you would be able to get the Payment Slip generated.

b) There would be no TY Slip available for 32KB card holders as existing 32KB cards will be adequate to get all facilities up to the time of receipt of new (64KB) cards.

c) **Periodically log in and check if the status page in echs.sourceinfosys.com shows that verification has been completed successfully by your Records Office. The steps to check the status are given in Enclosure 2 for your guidance**
